AFTER-ACTION REPORT

Full test game · 19 OCT 2026 · board time 0830–1115

Marala Island · BLUFOR (US-led Coalition) vs. REDFOR (North Korea)

1. BOTTOM LINE UP FRONT

BLUFOR wins on points, 84 to 83. No war. Escalation finished at 33 (Tension).

84	83	33	91 / 39
BLUFOR POINTS	REDFOR POINTS	FINAL ESCALATION · TENSION	DIPLOMATIC POINTS B / R

2. FINAL SCORE

Category	BLUFOR	REDFOR
Site captures (+2) and time held (+1 per 10 minutes)	37	36
Sites held at the end (+5 each)	10	10
Town office open	10	10
Confirmed reports (+1 each)	4	2
Intel packages (2 + 2 each)	16	21
IEDs handled	2	2
Diplomatic points (1 per 10)	9	3
Escalation caused (−1 each)	-4	-1
Total	**84**	**83**

Escalation caused is shown after it wore off during quiet stretches: 12 points for BLUFOR and 40 for REDFOR.

3. ESCALATION

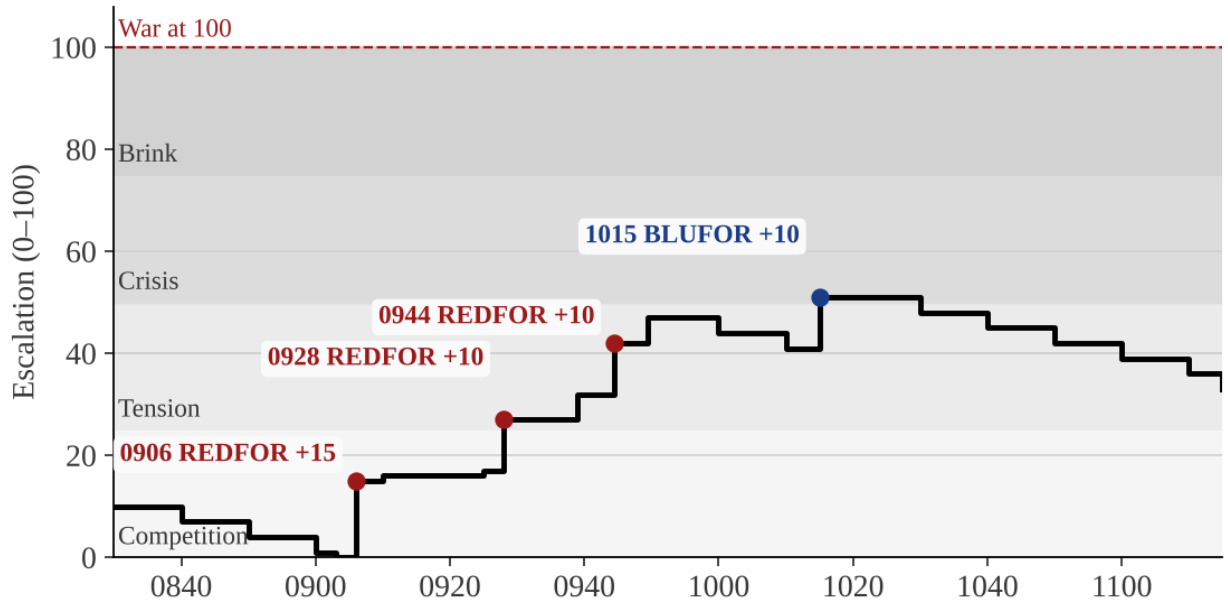

Figure 1. Shared escalation meter over the game. Marked points are single moves worth 10 or more.

Time	Wing	Change	Event
0903	**BLUFOR**	-1	BLUFOR told the truth about the C3 explosion (escalation −5, diplomatic points +5)
0906	**REDFOR**	+15	REDFOR falsely blamed the other wing for the C3 explosion (escalation +15, diplomatic points −10)
0910	**BLUFOR**	+1	BLUFOR drone flight: Is anyone at the Harbor? (escalation +1)
0925	**REDFOR**	+1	REDFOR drone flight: Who is at the Airstrip? (escalation +1)
0928	**REDFOR**	+10	REDFOR launched a UAV: 4 enemy fireteams located (escalation +10)
0939	**BLUFOR**	+5	BLUFOR jammed the REDFOR datalink until 0944 (escalation +5)
0944	**REDFOR**	+10	REDFOR started contention on Airstrip until 0959 (escalation +10, site held 60 minutes or more)
0949	**REDFOR**	+5	BLUFOR claimed Airstrip: confirmed (Defended. REDFOR must pull back and takes +5 escalation.)
1015	**BLUFOR**	+10	BLUFOR show of force at a point in D2 (36 m radius, D2) (escalation +10)

With no new escalation, the meter drops 3 at each 10-minute board update; those drops are not listed.

4. POINTS AND DIPLOMATIC STANDING

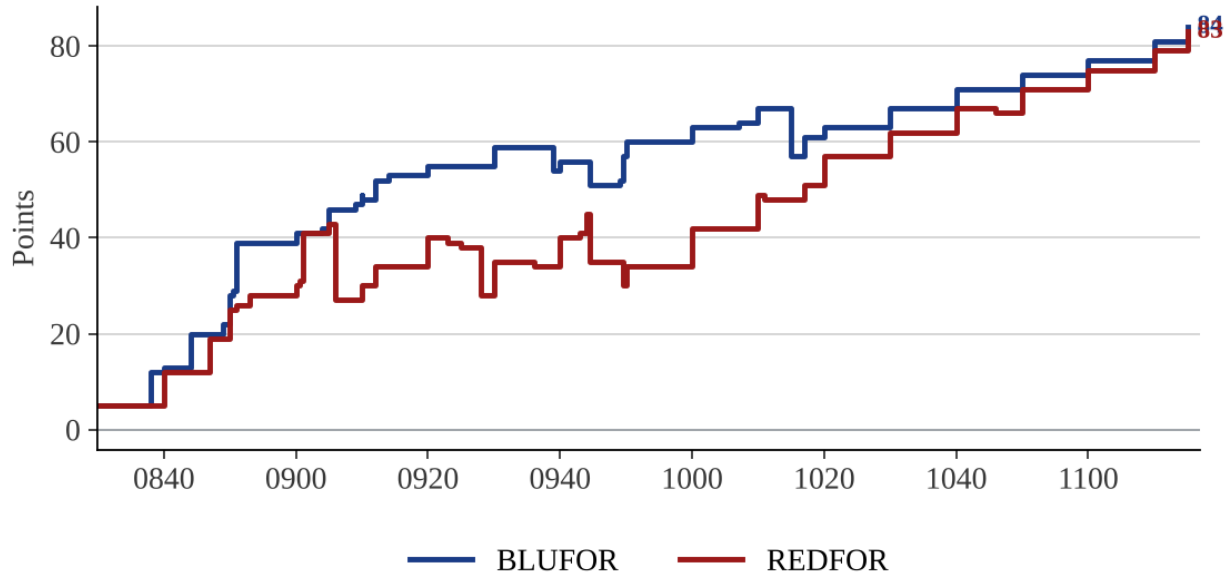

Figure 2. Each wing's points over the game.

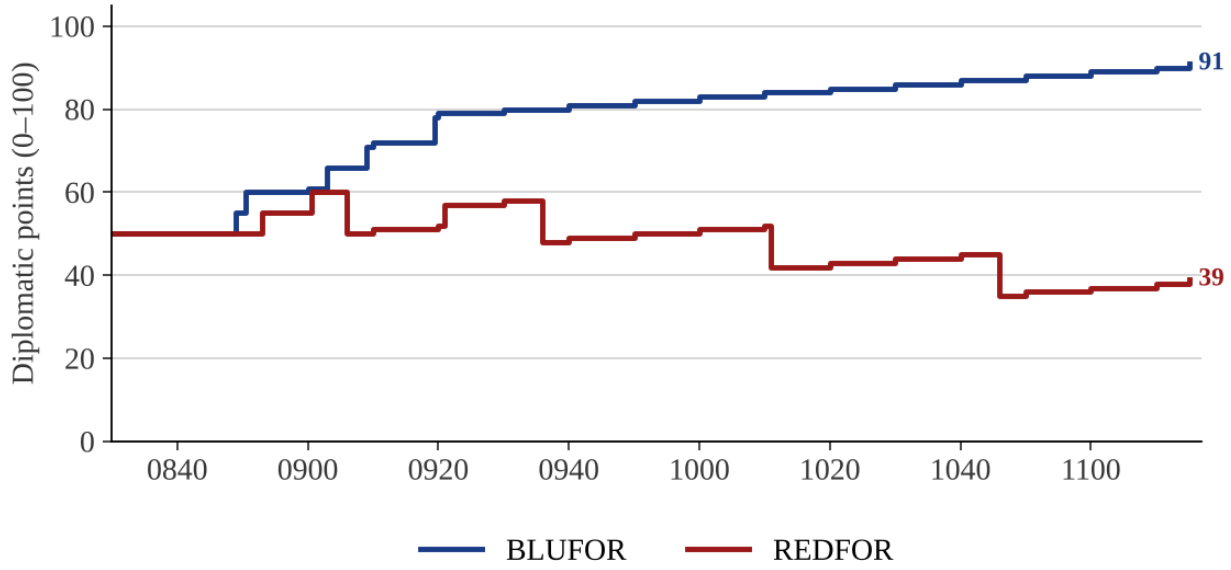

Figure 3. Diplomatic points: each wing's standing with the mayor and the people of Marala. Below 20, the mayor closes that wing's town office.

Aid packages delivered on time: BLUFOR 1, REDFOR 0. Missed: BLUFOR 0, REDFOR 3.

5. SITE CONTROL

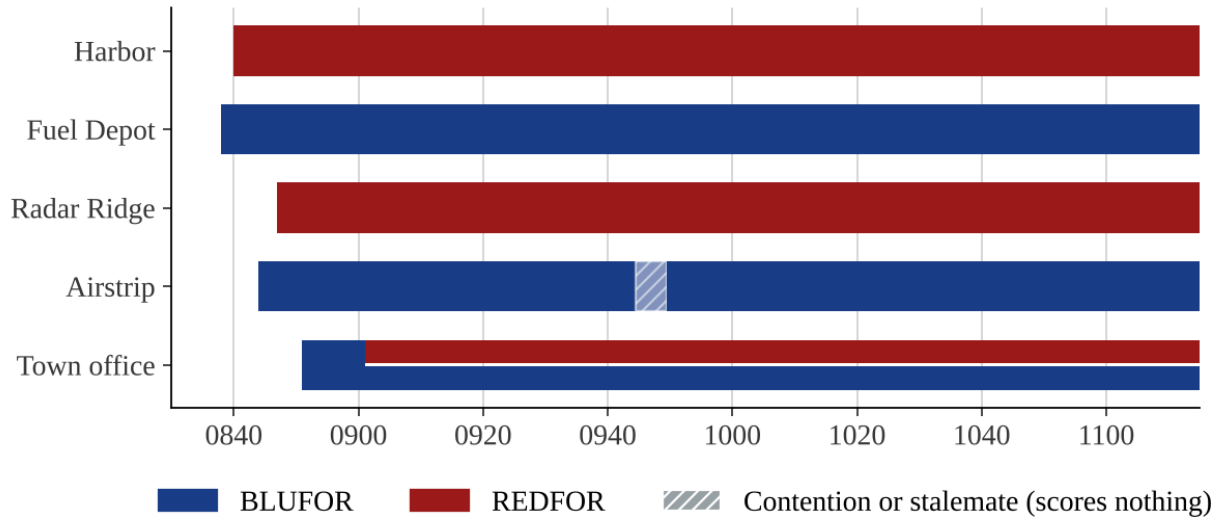

Figure 4. Control of each site over the game. Hatched bars were under contention or stalemate and earned no time-held points.

Every site and town-office claim

Time	Wing	Site	Result	Board note
0838	**BLUFOR**	Fuel Depot	Accepted	Site is yours. +2 points.
0840	**REDFOR**	Harbor	Accepted	Site is yours. +2 points.
0844	**BLUFOR**	Airstrip	Accepted	Site is yours. +2 points.
0847	**REDFOR**	Radar Ridge	Accepted	Site is yours. +2 points.

No site handovers.				

6. FIELD REPORTS

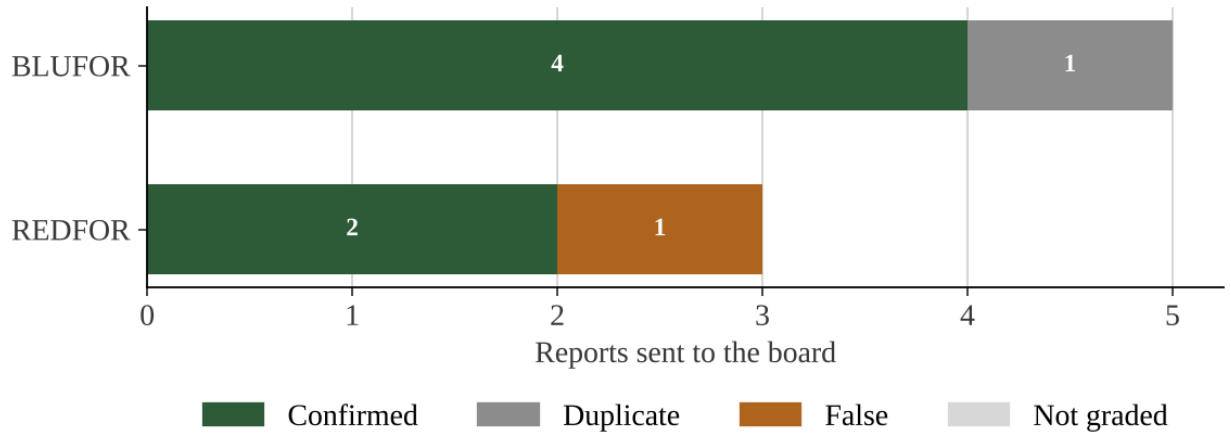

Figure 5. Reports sent to the board and how the white cell judged them.

Wing	Reports	Confirmed	False	Duplicate	Accuracy	Median delay
BLUFOR	5	4	0	1	80%	2 min
REDFOR	3	2	1	0	67%	2 min

Delay is the time from a team's sighting to the report reaching the board. Accuracy counts only reports the white cell judged.

7. MANAGING INTELLIGENCE

Intel packages

#	Problem	Window	Key	BLUFOR	REDFOR
1	The airstrip gate bomb	0835–0850	The Marala First Front (militia); false: C, HUMINT (Walk-in source, first contact, reunification party member, asked to be paid)	Answer ✓ · False intel ✓ · **+4**	Answer ✓ · False intel ✓ · **+4**
2	Where are the mayor's meetings?	0850–0905	Town Hall; false: A, SIGINT (Intercepted cell call, unregistered phone near the harbor)	Answer ✓ · False intel ✓ · **+4**	Answer ✓ · False intel ✕ · **+2**
3	The roadside explosion	0900–0912	The Marala First Front (militia); false: D, IMINT (Photo posted online, metadata stripped)	Answer ✓ · False intel ✓ · **+4**	Answer ✓ · False intel ✓ · **+4**
4	The militia cache	0915–0930	The old quarry shed; false: B, GEOINT (Structures near the quarry)	Answer ✕ · False intel ✕ · **+0**	Answer ✓ · False intel ✓ · **+4**
5	The north-road device	0930–0944	Yes, at the north-road culvert; false: C, IMINT (Satellite image, north road)	No answer	Answer ✓ · False intel ✓ · **+4**
6	The fisherman's death	0948–1003	A militia mine on the footpath; false: B, SIGINT (Intercepted phone call between two villagers)	No answer	No answer
10	Who moved the fuel?	1005–1017	The militia and The harbor smugglers; false: C, IMINT (Posted photo)	Answer ✓ · False intel ✓ · **+4**	Answer partly right · False intel ✓ · **+3**

Each package gave several pieces of intel (usually HUMINT, SIGINT, IMINT and GEOINT, sometimes more), with one or more of them false or misleading. +2 for the right answer (all correct answers when a package had more than one; +1 for partly right), +2 for catching every false piece and no true ones. The window shows when the white cell sent it and when it closed.

Attribution of explosions

Time	Wing	Where	Public statement	Actual cause	Result
0900	**BLUFOR**	C3	The militia did it	the militia	Correct
0900	**REDFOR**	C3	BLUFOR did it	the militia	Wrong

8. COMMANDER'S ACTIONS

Drone flights, shows of force and strikes

Time	Wing	Action	Asked or targeted	Outcome
0910	**BLUFOR**	Drone flight	Is anyone at the Harbor?	Answer: Yes: four REDFOR, one flag on the pier.
0925	**REDFOR**	Drone flight	Who is at the Airstrip?	Answer: Three Coalition, dug in by the runway.
1015	**BLUFOR**	Show of force	a point in D2 (36 m radius, D2)	The other wing left

UAV launches

Time	Launched by	Enemy fireteams located	Escalation
0928	**REDFOR**	4	+10

Datalink jams

Time	Jammed by	Effect	Escalation
0939	**BLUFOR**	REDFOR datalink down until 0944	+5

9. C2 LIAISON

The Wing Commanders sent 3 (BLUFOR) and 4 (REDFOR) messages on the liaison channel. Declared sites appear in italics.

Time	From	Message
0830	**BLUFOR**	Coalition C2 on net. Our teams stay west of the town road for Phase 1.
0830	**REDFOR**	Acknowledged. We stay east of the road. Radio us before you cross.
0918	**BLUFOR**	We hold the Airstrip and the Fuel Depot. Stay off the Airstrip until 1000 and we stay off Radar Ridge. *(declared Airstrip until 1000)*
0920	**REDFOR**	Agreed for Radar Ridge. Our teams use the east road to the Harbor. *(declared Harbor until 1000)*

Time	From	Message
0933	**REDFOR**	We have an aid delivery headed to Town Hall. Keep your teams clear of the east road.
0945	**BLUFOR**	You are on the Airstrip. That breaks our deal. Pull back.
0950	**REDFOR**	Your deal ended when you moved Bravo toward the Harbor. We will talk at the town.

10. FIRETEAMS

Wing	Fireteam	Map looks	Position reports	Map-grid checks	Median error	Worst
BLUFOR	#1 Alpha 1	1	14	7	38 m	52 m
BLUFOR	#2 Alpha 2	1	14	7	42 m	59 m
BLUFOR	#3 Bravo 1	0	14	7	37 m	42 m
BLUFOR	#4 Bravo 2	0	13	7	40 m	45 m
BLUFOR	Charlie 1 (test phone) *(removed)*	0	1	0	–	–
REDFOR	#3 Dragon 1	1	13	7	63 m	88 m
REDFOR	#4 Dragon 2	0	13	7	46 m	94 m
REDFOR	#1 Tiger 1	1	14	7	61 m	84 m
REDFOR	#2 Tiger 2	0	14	7	43 m	77 m

A map-grid check is a report where the team typed its grid from the map and the phone also sent GPS; the error is the distance between the two. Map looks counts the 3-minute map windows each team opened.

Orders from the Wing Commanders

Time	Wing	To	Order
0835	**BLUFOR**	All fireteams	Phase 1: Alpha 1 to the Fuel Depot, Alpha 2 to the Airstrip. Bravo teams screen the town road. SALUTE on any REDFOR.
